

HOW IS HUMANITARIAN AID

WEAPONIZED IN THE GAZA STRIP?

Colonial states have not only participated in Israel's genocide through diplomatic and military support, but they also have been **restricting humanitarian aid** to Palestinians...

How? →

By:

Imposing collective punishment and suspending funding to UNRWA

Conditioning the entry of aid to the release of the Israeli prisoners

Consequences of weaponizing aid:

- No food
- No water
- No medicine or medical services
- No shelter

"Deliberately inflicting on the group conditions of life calculated to bring about its physical destruction in whole or in part" (Genocide Convention)

States must respect their obligation to prevent genocide and ensure **unrestricted** and **unconditional** humanitarian aid in the Gaza Strip!
