**TO RESIST
COLONIAL DOMINATION**

BY FUNDING

UNRWA

TO RESIST

Israel's strategy aiming to **eliminate** the UNRWA, with it Palestinian refugee rights, and western colonial states' **complicity** with Israel's strategy to defund and dismantle the UNRWA

TO SUPPORT

the 5.9 million Palestine refugees registered with the UNRWA, especially those in the Gaza Strip **facing Israeli genocide**

BECAUSE THE UNRWA

and its services are **the right** of Palestinian refugees **until their return** and is the only UN agency mandated to provide aid to Palestine refugees and has the most **presence and capacity** in the Gaza Strip

AS A MEANS FOR STRUGGLE,

not as a substitute to ensure States' fulfillment of their international responsibility to protect Palestinian refugees and to fund and enable the UNRWA's operations
